## About Me

Hello! I am Shabana, a passionate Computer Application student with a strong interest in programming languages like C++ and Python. I enjoy building creative and functional web applications.

## Education

- **Bachelor of Computer Application** - Vidhya Sagar Women's College (2024 - 2027)
- **High School** - Government Girls Higher Secondary School (2022 - 2024)

## Skills

HTML CSS JavaScript Python C++

## Projects

- **Portfolio Website** - A responsive personal portfolio using HTML, CSS, and JS.
- **Student Management System** - A Python-based desktop application.
